*The Class of 1978 would like to dedicate the following lyrics
to our parents, friends, and the faculty of Springbrook High:*

*Life so they say
Is but a game and they let it slip away
Love-like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
and take us up, always up*

*We may never pass this way again
We may never pass this way again
We may never pass this way again*

*Dreams-so they say
Are for the fools and they let them drift away
Peace-like the silent dove
Should be flyih' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ship out on the open sea
Cast away our fears and all the years will come and go
And take us up, always up*

*We may never pass this way again
We may never pass this way again
We may never pass this way again*

*So I wanna laugh while the laughin` is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than a friend
Like I'm the journey and your're the journey's end
I may never pass this way again
That's why I want it with you*

*We may never pass this way again
We may never pass this way again
We may never pass this way again
We may never pass this way again*

*from "We May Never Pass this Way Again"
by James Seals & Dash Crofts*
